Description

FlyAds Pro is a Fly-In Ad traffic exchange script which allows you to start your own Fly-In Ad membership site just like FlyInAds.com. Fly-In Ads will instantly capture the immediate attention of the audience and do not interfere with the sales process of member's web site at all. Fly-In Ads are only shown to targeted, interested prospects. Member's FlyAds Pro Inventory virally grows itself so the traffic grows virally and passively. FlyAds Pro are not blocked by pop-up blockers.
